

GUIDELINES FOR SUBMITTING UMPIRE FEEDBACK

BACKGROUND

- This document outlines the procedure to submit feedback on the performance of umpires appointed to NoSCA games by the Association of Cricket Officials (ACO).
- The sole intention of this process is to try and help improve the performance of our umpires by means of constructive feedback.
- It is important that the system is not just used to submit negative feedback - positive comments are as important as negative ones for the purposes of umpire development.
- Feedback submitted will be handled confidentially. It will only be accessible to the President of NoSCA and the Chair and Vice-Chair of the ACO. However, to aid umpire development, scores and comments may also be shared with the relevant umpire from time to time.
- For season 2017 the submission of feedback is voluntary but encouraged by the NoSCA executive committee.

PROCEDURE

- The feedback system is part of the on-line results entering system.
- Feedback can only be entered AFTER the result has been input.
- Log-on to the results system as normal by entering www.nosca.net/results in your browser or click on the **Login** button on the website home page.
- If a result has been entered a new option, **Add Umpire Feedback** will appear as shown.
- Select this option to input your feedback

Ross County
v
Fort William

Away Win
Fort William: 126/4
Ross County: 125/10

Edit Result

Add Umpire Feedback

- Use the drop down boxes to select your rating from **Poor, Fair or Good**.
- Enter any comments about the umpire's performance in the text box (the box can be resized and is not limited in length of text accepted). *Please note that rating of **Poor** or **Fair** MUST be backed-up by a comment.*
- Repeat the above for the second umpire (if applicable).
- Select **Submit Rating/s** to finish.

You will not see any changes but your rating and any comments will be added to the record of the relevant umpire(s).

NOTES TO ABOVE

- **Both** teams are able (and encouraged) to log-in and submit feedback.
- Once submitted, feedback can be edited by logging in again and re-submitting any changes
- However, feedback can only be entered or edited up until the Friday following a game
